She takes us back in the old days with this new video. Watch it here first: 'Bigambo' means 'words'. It is a song in which Vinka assures love to her lover and urges him not to easily believe what people say about her. It was produced by Eno Beats. This is Vinka's 7th music video in as many months as she continues to fulfill her promise of a song and video for every month of 2019. If you care to notice, each video comes with a unique touch. The oldskool themed video was directed by Aaronaire who dropped his rich in color trademark to settle for black and white. It's the video watch, catch it below and let us know what you think of it: Read Also: Vinka turns 26 with a mini-holiday away in The Maldives ECHONigeria Forum / Naija Info / DOWNLOAD: VINKA - Bigambo (Audio + Video) (1 Post | 486 Views) (1) (Go Down) ADD COMMENT (1) ADD COMMENT Viewing this topic: 39 guests viewing this topic (Go Up)
